## Letter of Intent

Company 1 :

EcoMag GmbH - Südring 2 - 85457 Wörth - Germany - Mail: [webmaster@EcoMagHSM.eu](mailto:webmaster@EcoMagHSM.eu)  
Authorized representative : Robert W. Fürst - Dipl.Ing.FH - R & D, Accounting and Consulting

Company 2 :

This letter is to confirm that Company 2 is intending to participate in a project titled "**N.O.A.H. (New Outstanding ecological Alternative Heat storing material)**" under the **HORIZON 2020 SME Instrument**. This letter of intent shows, that Company 2 is interested in EcoMagHSM. If satisfied after the testing period, Company 2 is also interested to pay for a license or buy EcoMagHSM. This letter of intent does not establish an obligation for any of the parties and brings no additional obligations as listed in this LOI. All transferred materials, e.g. recipes, samples & licenses, are strictly confidential and may not be disclosed to third parties.

Company 2 is very interested in EcoMagHSM and wants to perform the following tasks within the **EU-Project NOAH** :

- receive the recipe for EcoMagHSM
- produce and test EcoMagHSM in our products
- exchange information and experiences with EcoMagHSM
- implement agreed validation procedures to ensure recognition of skills
- scientific cooperation evaluating qualitative/quantitative information if necessary
